

CHRISTINE NAPOLITANO

PARTNER, BEHNISCH ARCHITEKTEN, BOSTON

Christine Napolitano, born 1979 in Hudson Valley, New York, USA, received her Master in Architecture degree from the Harvard University Graduate School of Design, where she also earned a Master in Design Studies in Architectural History and Theory. Before joining Behnisch Architekten, Christine worked at several acclaimed practices, including Kyu Sung Woo Architects in Cambridge, Massachusetts. Joining Behnisch Architekten in 2010, Christine gained experiences spanning master planning, planning and design of cultural, educational, research and laboratory facilities. She has held leadership roles on a number of pivotal projects coming out of the Boston office. Christine is actively involved in helping clients understand their needs, engaging in an iterative design process with end users, upholding a commitment to innovative and sustainable design.
