

# CORNELIA WUST

## OFFICE DIRECTOR, BEHNISCH ARCHITEKTEN STUTTGART

Cornelia Wust, born in 1973, studied architecture at the University of Applied Science in Augsburg, Germany. After receiving her diploma in 2000, she began working in the office of Behnisch & Partner in Sillenbuch, Germany. Since 2004 she has worked as an architect in the office of Behnisch Architekten in Stuttgart, Germany, and also Munich, Germany, between 2009 and 2012. She has over 18 years of professional experience in education, office and laboratory design and has served as project manager on a number of high profile and award winning projects, including the Harvard Allston Science Complex in Cambridge, MA, the Agora Cancer Research Center in Lausanne, Switzerland, the City Hall in Kolbermoor, Germany and adidas ARENA in Herzogenaurach, Germany. In addition to her professional role as architect at Behnisch Architekten, she has also served, since 2016, as a lecturer at the University of Applied Science Augsburg.
