

DANIEL POEI

OFFICE DIRECTOR, BEHNISCH ARCHITEKTEN, LOS ANGELES

Daniel Poes, born in 1977, received a Master of Architecture degree and graduated with Distinction, from the University of California Los Angeles in 2010 and a Bachelor of Arts in Architectural Studies from the University of Washington in 2000. Daniel has many years of professional experience, serving as a project lead and project manager on various other significant projects at notable architecture firms in Los Angeles, working on a diverse array of projects, which range from workplace, multi-family and high-rise residential, research laboratories, to retail projects. Much of his focus over the past decade has been on large-scale, mixed use and urban design projects that have integrated workplace, high-density residential and retail spaces. He has played an integral part of winning first prize on international competitions in Keelung, Taiwan and Montpellier, France. He became office director in the Los Angeles office 2019.
