

# FLORIAN EDLER VON HAYEK

## OFFICE DIRECTOR, BEHNISCH ARCHITEKTEN MUNICH

Florian Edler von Hayek, born in 1981, studied architecture at the Bauhaus-Universität Weimar. Thereafter he attended the Institute of Architecture lead by Wolf Prix, Zaha Hadid and Greg Lynn at the University of Applied Arts in Vienna where he completed his Masterclass in Greg Lynn studio. In 2006 he received Leonardo-da-Vinci Scholarship to work with the Office R&Sie(n). Over the last 9 years, he has extensive experience in the field of architecture at Behnisch Architekten working through all phases, including competition design for award-winning projects and construction management. Since 2014 he is Project Leader for the design and master plan of a 217,000 SF residential housing complex in the Spinnereipark in Kolbermoor, which held a DGNB GOLD pre-certificate in the category urban district. As a Project Manager, he is supporting and supervising architects working on various projects, studies and competitions.
