

MARIA HIRNSPERGER

OFFICE DIRECTOR, BEHNISCH ARCHITEKTEN MUNICH

Maria Hirnsperger, born 1985 in Salzburg, is a graduate of the Technical University of Vienna Master of Architecture program, where she also earned her Bachelor of Science in Architecture. Before joining Behnisch she worked at Scheicher Architekten in Salzburg, where she was responsible for competitions. Maria is a project manager at Behnisch Architekten and has over 6 years of professional experience. She has worked on a number of award-winning competitions and projects. She has experience in competition design, residential and student housing as well as in administration building design and has worked on high profile projects, including the wooden tower in Nürnberg, the housing complex Living on the Altmühl riverside and the Action Sports Hall in Munich.

Not only having a degree in architecture but also being educated as a carpenter, Maria has a special interest in working with wood, both in the knowledge and application of old known techniques, as well as in finding new ways for its use.
