

• ANNA-PRÖLL SECONDARY SCHOOL AND SPORTS HALL
Gersthofen, DE

2013–2018

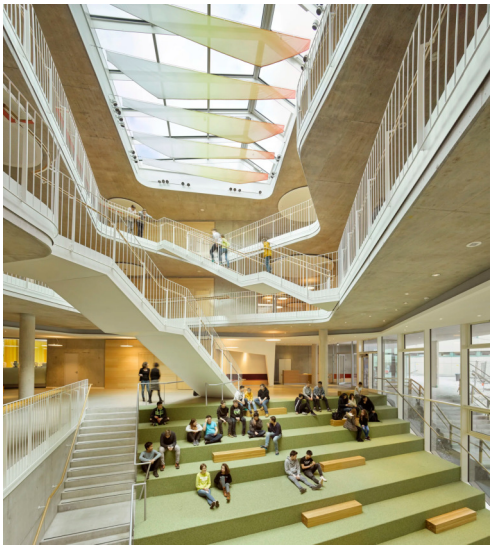

On the southern outskirts of Gersthofen, multiphase construction of a new secondary school building has replaced the original school built in 1971. Its spatial layout is flexible, allowing it to adapt to future pedagogical developments. The complex includes a three-court sports hall, adjacent outdoor sports areas on the southern grounds, and rooms for local music clubs in the school's north wing.
