

• BREUNINGER HEADQUARTER
Stuttgart, DE

2010–2013

The redesign of the administrative offices for Breuninger, a department store turned lifestyle brand with over 130 years of history, introduces a dynamic workplace that combines open offices with informal communication zones, as well as independent meeting and conference rooms. Renowned for its trend awareness and commitment to quality, Breuninger now extends these same high standards to its office environments.
