

• LVA – LANDESVERSICHERUNGSANSTALT SCHLESWIG-HOLSTEIN
Schleswig-Holstein, DE

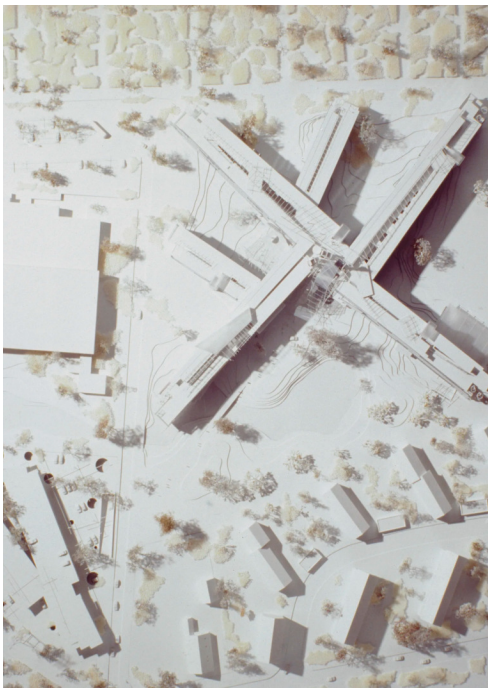

1993–1997

The regional headquarters for the state insurance company LVA (Landesversicherungsanstalt) replaced the previously dispersed offices, which had been located in and around the medieval city center of Lübeck. The office building is organized in a pinwheel layout to optimize the use of the relatively compact site and make best use of the natural surroundings. The upper floors afford visual connections to the towers of the historic center.
