Kolbermoor, DE

2015–2016 / 2018–2022

The new mixed residential/commercial building is a confident and harmonious addition to the square in front of Kolbermoor's town hall, rounding off an existing ensemble consisting of the town hall, library, adult education center, and parking structure. It contains four stories of affordable, municipally owned housing, while a restaurant on the ground floor enlivens the square with a welcome new facility.
