

• THERMAL RÖMERBAD
Bad Kleinkirchheim, AT

2006–2007

In 2005, we won the competition to design an extension to the Römerbad Thermal Spa, located at the foot of the Kaiserburg mountain in Bad Kleinkirchheim, Austria. Our scheme wove the new programs—a wellness and sauna area, a children's area, a beauty area, rest rooms—into a carefully designed landscape around the original, multi-story spa hall.
